"Reign"

You spke Your word in the heavens
Creation bows before the king
We stand in awe of Your glory
To You our lives we bring

You call us to the nations
Hear the sound of your mighty reign
We come as heirs of Your kingdom
We will go in the power of your name

For the sake of the call
For You have given all
For the love of the cross
Of the cross

Jesus reign
Jesus reign
In our lives in all the earth
Jesus reign
Jesus reign
Come Lord Jesus come today

Come today
Come today
Come and reign today
