And it's a sad picture, the final blow hits you  
Somebody else gets what you wanted again  
You know it's all the same, another time and place  
Repeating history and you're getting sick of it

But I believe in whatever you do  
And I'll do anything to see it through

Because these things will change, can you feel it now?  
These walls that they put up to hold us back will fall  
down  
It's a revolution, the time will come for us to finally win

We'll sing hallelujah!  
We'll sing hallelujah! Oh

So we've been outnumbered, raided and now cornered  
It's hard to fight when the fight ain't fair  
We're getting stronger now from things they never  
found  
They might be bigger but we're faster and never  
scared

You can walk away and say we don't need this  
But there's something in your eyes says we can beat  
this

'Cause these things will change, can you feel it now?  
These walls that they put up to hold us back will fall  
down  
It's a revolution, the time will come for us to finally win

We'll sing hallelujah!  
We'll sing hallelujah! Oh

Tonight we stand on our knees  
To fight for what we worked for all these years  
And the battle was long, it's the fight of our lives  
Will we stand up champions tonight?

It was the night things changed, can you see it now?

These walls that they put up to hold us back fell down  
It's a revolution, throw your hands up, 'cause we never  
gave in

We'll sing hallelujah!  
We sang hallelujah!  
Hallelujah!
