I'm pretty sure we almost broke up last night  
I threw my phone across the room at you  
I was expecting some dramatic turn away but you  
stayed  
This morning I said we should talk about it  
Cause I read you should never leave a file unresolved  
That's when you came in wearing a football helmet  
And said okay let's talk  
And I said...

Stay stay stay i've been loving you for quite some time  
time time  
You think that it's funny when i'm mad mad mad  
But I think that it's best if we both stay

Before you I only dated self indulgent takes who took  
all of their problems out on me  
But you carrying my groceries and now i'm always  
laughing  
And I love you because you have given me no choice  
but to

Stay stay stay i've been loving you for quite some time  
time time  
You think that it's funny when i'm mad mad mad  
But I think that it's best if we both stay stay stay stay

You took the time to memorize me my feels my hopes  
and dreams  
I just like hanging out with you all the time  
All those times that you didn't leave it's been occurring  
to me i'd like to hang out with you for my whole life

Stay and i'll be loving you for quite some time  
No one else is gonna love me when I get mad mad  
mad  
So I think that it's best if we both stay stay stay stay

Stay stay stay i've been loving you for quite some time  
time time  
You think that it's funny when i'm mad mad mad

But I think that it's best if we both stay stay stay stay

Stay stay stay i've been loving you for quite some time  
time time

You think that it's funny when i'm mad mad mad  
But I think that it's best if we both stay
