"Speak Now"

I am not the kind of girl
Who should be rudely barging in
On a white veil occasion
But you are not the kind of boy
Who should be marrying the wrong girl

I sneak in and see your friends
And her snotty little family
All dressed in pastel

And she is yelling at a bridesmaid
Somewhere back inside a room
Wearing a gown shaped like a pastry

This is surely not
What you thought it would be
I lose myself in a daydream
Where I stand and say:

Don't say yes, run away now
I'll meet you when you're out
Of the church at the back door

Don't wait or say a single vow
You need to hear me out
And they said "speak now"

Fond gestures are exchanged
And the organ starts to play
A song that sounds like a death march

And I am hiding in the curtains
It seems I was uninvited
By your lovely bride-to-be

She floats down the aisle
Like a pageant queen
But I know you wish it was me
You wish it was me, don't you?

Don't say yes, run away now
I'll meet you when you're out

Of the church at the back door

Don't wait or say a single vow
You need to hear me out
And they said "speak now"

Don't say yes, run away now
I'll meet you when you're out
Of the church at the back door

Don't wait or say a single vow
Your time is running out
And they said, "speak now"

Ooh, la, oh
Ooh, ooh

I hear the preacher say
"Speak now or forever hold your peace"
There's a silence, there's my last chance
I stand up with shaking hands, all eyes on me

Horrified looks from
Everyone in the room
But I'm only looking at you

I am not the kind of girl
Who should be rudely barging in
On a white veil occasion
But you are not the kind of boy
Who should be marrying the wrong girl

So don't say yes, run away now
I'll meet you when you're out
Of the church at the back door

Don't wait or say a single vow
You need to hear me out
And they said, "speak now"

And you say
Let's run away now
I'll meet you when
I'm out of my tux at the back door

Baby, I didn't say my vows
So glad you were around when they said
"Speak now"
