Let me know how's it feel  
To be under my skin  
Wrapped around my heart  
Is it like anywhere you've been?  
And everything I do, I do it just for you

So why the hell don't you love me?  
Why the hell don't you need me  
Like I need you?  
Why are you so far above me?  
Don't you know that there's nothing I wouldn't do?  
But I was just a toy  
That's what you destroyed  
Stupid boy

I have been, looking in  
Trying to read your mind  
Give you the benefit of the doubt  
Every single time  
But didn't you waltz right by  
I'm screamin' out inside

Why the hell don't you love me?  
Why the hell don't you need me

Like I need you?  
Why are you so far above me?  
Don't you know that there's nothing I wouldn't do?  
But I was just a toy  
That's what you destroyed  
Stupid boy

What happens when you wake up  
And see what you've lost  
Take one look at me cause  
That's what it cost  
I was gonna be everything you need  
Cause you are everything to me

So why the hell don't you love me?  
Why the hell don't you need me  
Like I need you?

Why are you so far above me?  
Don't you know that there's nothing I wouldn't do?  
But I was just a toy  
That's what you destroyed  
Stupid boy

Let me know how's it feel  
To be under my skin
