Suddenly I, am in front of the lights
Everything, I'm feelin'
Scary and beautiful at the same time
And every day, I try just to breathe
I want to show the whole world
The truth inside of me

Suddenly, people know my name
Suddenly, everything has changed
Suddenly, I feel so alive
In the blink of an eye
My dreams begin to reign

Suddenly time, feels like the wind
It changes everywhere I go
I'm just trying to fit in
Now here I stand
And I'm still just that girl
I'm following my heart
In this amazing crazy world

Suddenly, people know my name
Suddenly, everything has changed
Suddenly, I feel so alive
In an blink of an eye

Suddenly, I am center stage
Suddenly, I am not afraid
Suddenly, I believe again
In a blink of an eye
It's happening now

As my dreams begin to reign, I wanna say, love me for
me

What's inside

I wanna be positive, not run away, so Much for you

This is life

Suddenly, I am center stage

Suddenly, I am not afraid
Suddenly, I believe again
In the blink of an eye

My dreams begin to reign
