I walk in the room there's a beautiful sunshine ray
Across the room
Then I hear the phone ring walk to it and I don't
what to say
Hello, Good day
But what I do know, it that tonight is gonna be the night,
when

Chorus:

He says I love you and I really care about you
When, He says he'll hold me in his arms when
I'm afraid
When, I'll say, Oh, I'll say I love him too
And, I care about you, yeah this ain't no charade.
Then he'll drive me home listenin' to the radio
Then, He says he really loves me too and do anything

Oh, I walk through the door there's a beautiful
moonlight shine
Across the room
I crawl into bed thinkin' what I did today
With him
But what I do know, is that, I love him too.
And the next time I see, him walking down the street
(down the street)
I'll think about this time, that was as beautiful
sunshine.

Oh!

Chorus:

He says I love you and I care about you
Yeah, He says he'll hold in his arms when I'm
afraid.
And I'll say, I love you too, yeah, I love you
Oh, I'll say, I care about you, yeah this aint no
charade
Then he'll drive me home, listenin' to the radio
Then, He says, he really loves me and he'll do
anything

Bridge:

I look in his brown eyes
And I see a surprise
It's like a present that you open
Oh, and do know oh do you know
What that surprise is?
It's love.
And the next time I see him walkin' down the
streets in his old white t-shirt, I'll always
remember, this time, that was as beautiful as sunshine.

Ohhh ohhh ohhhh sunshine
Ohhhh ohhh ohhh sunshiiiiine
Sunshine sun sun sunshine
Was as beautiful as sunshine.
