Drew looks at me I fake a smile so he won't see that I
want and I'm needing everything that we should be I
bet she's beautiful that girl he talks about and she's got
everything that I had to live without Drew talks to me I
laugh 'cause it's just so funny that I can't even see
anyone when he's with me he says he's so in love he's
finally got it right I wonder if he knows he's all I think
about at night and he's the reason for the teardrops on
my guitar the only thing that keeps me wishing on my
wishing star he's the song in the car I keep singing
don't know why I do Drew walks by me can he tell that I
can't breathe and there he goes so perfectly the kind
of flawless I wish I could be she better hold him tight
give him all the love look in those beautiful eyes and
know she's lucky 'cause he's the reason for the
teardrops on my guitar the only thing that keeps me
wishing on my wishing star he's the song in the car I
keep singing don't know why I do so I go home alone as
I turn out the light I put his picture down and maybe get
some sleep tonight 'cause he's the reason for the
teardrops on my guitar the only thing that keeps me
wishing on my wishing star he's the song in the car I
keep singing don't know why I do Drew looks at me I
fake a smile so he won't see
