I'm five years old, it's getting cold, I've got my big coat
on

I hear your laugh and look up smiling at you, I run and
run

Past the pumpkin patch and the tractor rides, look now,
the sky is gold

I hug your legs and fall asleep on the way home

I don't know why all the trees change in the fall
But I know you're not scared of anything at all
Don't know if Snow White's house is near or far away
But I know I had the best day with you today

I'm thirteen now and don't know how my friends could
be so mean
I come home crying and you hold me tight and grab
the keys
And we drive and drive until we found a town far
enough away
And we talk and window shop 'til I've forgotten all their
names

I don't know who I'm gonna talk to now at school
But I know I'm laughing on the car ride home with you
Don't know how long it's gonna take to feel okay

But I know I had the best day with you today

I have an excellent father, his strength is making me
stronger
God smiles on my little brother, inside and out, he's
better than I am
I grew up in a pretty house and I had space to run
And I had the best days with you

There is a video I found from back when I was three
You set up a paint set in the kitchen and you're talking
to me
It's the age of princesses and pirate ships and the
seven dwarfs
And Daddy's smart and you're the prettiest lady in the
whole wide world

And now I know why the all the trees change in the fall
I know you were on my side even when I was wrong
And I love you for giving me your eyes
For staying back and watching me shine
And I didn't know if you knew, so I'm takin' this chance
to say
That I had the best day with you today
