I used to think that one day we'd tell the story of us,  
And how we met  
And how the sparks flew instantly  
And people would say they're the lucky ones

I used to know my place was the spot next to you,  
Now I'm searching the room for an empty seat  
Cause lately I don't even know what page you're on

Oh, a simple complication,  
Miscommunications lead to a fallout,  
So many things that I wish you knew  
So many walls up, I can't break through

Now I'm standing alone in a crowded room  
And we're not speaking  
And I'm dying to know  
Is it killing you like it's killing me, yeah

And I don't know what to say since a twist of fate,  
When it all broke down  
And the story of us  
Looks a lot like a tragedy now

Next chapter

How did we end up this way?  
See me nervously pulling at my clothes  
And trying to look busy  
And you're doing your best to avoid me

I'm starting to think one day I'll tell the story of us  
How I was losing my mind when I saw you here  
But you held your pride like you should have held me

Oh, I'm scared to see the ending,  
Why are we pretending this is nothing?  
I'd tell you I miss you but I don't know how  
I've never heard silence quite this loud.  
Now I'm standing alone in a crowded room  
And we're not speaking  
And I'm dying to know

Is it killing you like it's killing me, yeah

And I don't know what to say since a twist of fate,  
When it all broke down  
And the story of us  
Looks a lot like a tragedy now

This is looking like a contest  
Of who can act like they care less  
But I liked it better when you were on my side

The battle's in your hands now  
But I would lay my armor down  
If you said you'd rather love than fight

So many things that you wish I knew  
But the story of us might be ending soon

Now I'm standing alone in a crowded room  
And we're not speaking  
And I'm dying to know  
Is it killing you like it's killing me, yeah

And I don't know what to say since a twist of fate  
When it all broke down  
And the story of us  
Looks a lot like a tragedy now  
Now, now, now

And were not speaking,  
And I'm dying to know  
Is it killing you  
Like it's killing me?

And I don't know what to say since a twist of fate,  
'Cause were going down  
And the story of us  
Looks a lot like a tragedy now
