Should have been different but  
It wasn't different, was it  
Same old story, dear john,  
And so long  
Should have fit like a glove  
Should have fit like a ring  
Like a diamond ring  
A token of true love  
Should have all worked out  
But it didn't  
She should be here now  
But she isn't

[Chorus:]  
There's your trouble,  
There's your trouble  
You keep seeing double  
With the wrong one  
You can't see I love you,  
You can't see she doesn't  
But you just keep holding on

There's your trouble

So now you're thinking 'bout  
All you're missing how  
Deep you're sinking,  
Round and round and dragging down  
Why don't you cash in your chips  
Why don't you call it a loss  
Not such a big loss,  
Chalk it up better luck  
Could have been true love  
But it wasn't  
It should all add up  
But it doesn't

[Repeat chorus]

Should have all worked out  
But it didn't  
She should be here now

But she isn't

[Repeat chorus]
