You said the way my blue eyes shined
Put those Georgia stars to shame that night
I said, "That's a lie"

Just a boy in a Chevy truck
That had a tendency of gettin' stuck
On backroads at night

And I was right there beside him
All summer long
And then the time we woke up to find
That summer'd gone

But when you think Tim McGraw
I hope you think my favorite song
The one we danced to all night long
The moon like a spotlight on the lake

When you think happiness
I hope you think that little black dress
Think of my head on your chest
And my old faded blue jeans

When you think Tim McGraw
I hope you think of me

September saw a month of tears
And thankin' God that you weren't here
To see me like that

But in a box beneath my bed
Is a letter that you never read
From three summers back

It's hard not to find it all
A little bitter sweet
And lookin' back on all of that
It's nice to believe

When you think Tim McGraw

I hope you think my favorite song

The one we danced to all night long
The moon like a spotlight on the lake

When you think happiness
I hope you think that little black dress
Think of my head on your chest
And my old faded blue jeans

When you think Tim McGraw
I hope you think of me

And I'm back for the first time since then
I'm standin' on your street
And there's a letter left on your doorstep
And the first thing that you'll read

Is when you think Tim McGraw
I hope you think my favorite song
Some day you'll turn your radio on
I hope it takes you back to that place

When you think happiness
I hope you think that little black dress
Think of my head on your chest
And my old faded blue jeans

When you think Tim McGraw
I hope you think of me
Oh, think of me, mmm

You said the way my blue eyes shined
Put those Georgia stars to shame that night
I said, "That's a lie"
