Untouchable like a distant diamond sky
I'm reaching out
And I just can't tell you why
I'm caught up in you
I'm caught up in you

Untouchable
Burning brighter than the sun
And when you're close
I feel like coming undone

In the middle of the night
When I'm in this dream
It's like a million little stars
Spelling out your name
You gotta come on, come on
Say that we'll be together
Come on, come on
Little taste of heaven

Oh, oh

It's half full
And I won't wait here all day
I know you're saying
That you'd be here anyway

But you're
Untouchable
Burning brighter than the sun
And now that you're close
I feel like coming undone

In the middle of the night
When I'm in this dream
It's like a million little stars
Spelling out your name
You gotta, come on, come on
Say that we'll be together
Come on, come on

Oh

In the middle of the night
We could form this dream
I wanna feel you by my side
Standing next to me
You gotta, come on, come on
Say that we'll be together
Come on, come on
Little taste of heaven

I'm caught
Up in you
Oh, oh
Oh, oh
Oh, oh

But you're
Untouchable
Burning brighter than the sun
Now that you're close
I feel like coming undone

In the middle of the night
When I'm in this dream
It's like a million little stars
Spelling out your name
You gotta come on, come on
Say that we'll be together
Come on, come on
Oh, whoa, oh

In the middle of the night
When I'm in this dream
It's like a million little stars
Spelling out your name
You gotta, come on, come on
Say that we'll be together
Come on, come on, come on

In the middle of the night
We can form this dream
I wanna feel you by my side
Standing next to me
You gotta, come on, come on
Say that we'll be together
Come on, come on
Little taste of heaven

Oh, oh
Oh, oh
Oh

And in the middle of the night
When I'm in this dream
It's like a million little stars
Spelling out your name
You gotta, come on, come on
Come on, come on
Come on, come on
Oh, oh, oh...

Like a million little stars
Spelling out your name
Spelling out your name
Oh
