Taylor Swift
"We Are Never Ever Getting Back Togethe"

I remember when we broke up the first time
Seeing this is it, I've had enough, 'cause like
We haven't seen each other in a month
When you, said you, needed space, what?
Then you come around again and say
Baby, I miss you and I swear I'm gonna change
Trust me, remember how that lasted for a day
I say, I hate you, we break up, you call me, I love you

Oooh we called it off again last night
But Oooh, this time I'm telling you, I'm telling you
We are never ever ever getting back together
We are never ever ever getting back together
You go talk to your friends talk, to my friends talk to
me,
But we are never ever ever ever getting back together

Like ever…

I'm really gonna miss you picking fights
At me, falling for a screaming that I'm right
And you, will hide away and find your piece of mine
with some indie record that's much cooler than mine

Oooh you called me up again tonight
But Oooh, this time I'm telling you, I'm telling you
We are never ever ever getting back together
We are never ever ever getting back together
You go talk to your friends, talk to my friends talk to me
But we are never ever ever ever getting back together

I use to think, that we, were forever ever ever
And I used to say never say never
Huh, he calls me up and he's like, I still love you
And i'm like, i'm just, I mean this is exhausting, you
know
We are never getting back together, like ever

We are never ever ever getting back together
We are never ever ever getting back together
You go talk to your friends talk, to my friends talk to me
But we are never ever ever ever getting back together

We, oooh, oooh, not back together, we
Oh, getting back together

You go talk to your friends talk, to my friends talk to me
But we are never ever ever ever getting back together
