You could have a change of heart
If you would only change your mind
Instead of slamming down the phone, babe
For the hundreth time

I got your number on my wall
But I ain't gonna make that call
When divided we stand,baby

United we fall

[Joe Elliott]

Got the time, got the chance, gonna make it
Got my hands on your heart, gonna take it

All I know, I can't fight this flame

But you could have a change of heart
If you would only change your mind

[Taylor Swift]

Cause I'm crazy 'bout you baby

Time after time

[Joe Elliott]

Without you, one night alone

[Taylor Swift]

Is like a year without you, baby

Do you have a heart of stone?

[Joe Elliott]

Without you, I can't stop this hurt inside

When love and hate collide

[Taylor Swift]

I don't wanna fight no more

I don't know what we're fighting for

When we treat eachother, baby

Like an act of war

And I can tell a million lies

But it would come as no surprise

When the truth is like a stranger

Hits you right between the eyes

Ohh

[Joe Elliott]

There's a time, and a place, and a reason

And I know i got a love to believe in

All i know, got to win this time

Without you, one night alone

[Taylor Swift]

Is like a year without you baby

Do you have a heart of stone?

[Joe Elliott]

Without you, I can't stop the hurt inside

When love and hate collide

-Guitar Solo-

[Joe Elliott]

You could have a change of heart

If you would only change your mind

[Taylor Swift]

Cause I'm crazy 'bout you baby

Crazy, Crazy

[Joe Elliott]

Without you, one night alone

[Taylor Swift]

Is like a year without you, baby

Do you have a heart of stone?

Without you, one night alone

[Taylor Swift]

Is like a year without you, baby

Do you have a heart of stone?

[Joe Elliott]

Without you, I can't stop the hurt inside

[Taylor Swift]

When love and hate collide
