You're on the phone with your girlfriend, she's upset  
She's going off about something that you said  
'Cause she doesn't get your humor like I do

I'm in the room, it's a typical Tuesday night  
I'm listening to the kind of music she doesn't like  
And she'll never know your story like I do

But she wears short skirts, I wear T-shirts  
She's Cheer Captain and I'm on the bleachers  
Dreaming about the day when you wake up and find  
That what you're looking for has been here the whole  
time

If you could see that I'm the one who understands you  
Been here all along, so why can't you see?  
You, you belong with me, you belong with me

Walking the streets with you and your worn-out jeans  
I can't help thinking this is how it ought to be  
Laughing on a park bench, thinking to myself  
Hey, isn't this easy?

And you've got a smile that could light up this whole  
town  
I haven't seen it in a while since she brought you down  
You say you're fine, I know you better than that  
Hey, what ya doing with a girl like that?

She wears high heels, I wear sneakers  
She's Cheer Captain and I'm on the bleachers  
Dreaming about the day when you wake up and find  
That what you're looking for has been here the whole  
time

If you could see that I'm the one who understands you  
Been here all along, so why can't you see?  
You belong with me

Standing by and waiting at your back door  
All this time how could you not know?  
Baby, you belong with me, you belong with me

Oh, I remember you driving to my house in the middle  
of the night  
I'm the one who makes you laugh when you know  
you're 'bout to cry  
And I know your favorite songs and you tell me 'bout  
your dreams  
Think I know where you belong, think I know it's with me

Can't you see that I'm the one who understands you?  
Been here all along, so why can't you see?  
You belong with me

Standing by and waiting at your back door  
All this time, how could you not know?  
Baby, you belong with me, you belong with me

You belong with me  
Have you ever thought just maybe  
You belong with me?  
You belong with me
