You're on the phone with your girlfriend, she's upset
She's going off about something that you said
'Cause she doesn't get your humor like I do

I'm in the room, it's a typical Tuesday night
I'm listening to the kind of music she doesn't like
And she'll never know your story like I do

But she wears short skirts, I wear T-shirts
She's Cheer Captain and I'm on the bleachers
Dreaming about the day when you wake up and find
That what you're looking for has been here the whole
time

If you could see that I'm the one who understands you
Been here all along, so why can't you see?
You, you belong with me, you belong with me

Walking the streets with you and your worn-out jeans
I can't help thinking this is how it ought to be
Laughing on a park bench, thinking to myself
Hey, isn't this easy?

And you've got a smile that could light up this whole
town
I haven't seen it in a while since she brought you down
You say you're fine, I know you better than that
Hey, what ya doing with a girl like that?

She wears high heels, I wear sneakers

She's Cheer Captain and I'm on the bleachers
Dreaming about the day when you wake up and find
That what you're looking for has been here the whole
time

If you could see that I'm the one who understands you
Been here all along, so why can't you see?
You belong with me

Standing by and waiting at your back door
All this time how could you not know?

Baby, you belong with me, you belong with me

Oh, I remember you driving to my house in the middle
of the night

I'm the one who makes you laugh when you know
you're 'bout to cry

And I know your favorite songs and you tell me 'bout
your dreams

Think I know where you belong, think I know it's with me

Can't you see that I'm the one who understands you?

Been here all along, so why can't you see?

You belong with me

Standing by and waiting at your back door

All this time, how could you not know?

Baby, you belong with me, you belong with me

You belong with me

Have you ever thought just maybe

You belong with me?

You belong with me
