Do you still have that dream,
that dream of you and me ,
the dream that got us this far,
that got us to where we are.
do you still want the same
as you used to ,
do you still want a me and you,
baby i don't wanna waste my
time but i don't wanna let go,
let go , oh , let go , no , no i don't wanna let go.

don't wanna leave you ,
a just wanna keep you , forever till' the end but baby
baby please dont pretend,
that you truely still love me ,
i know that your above , if
we can make this work - i will,
but tell do you love me still ? tell me baby do you ?

be honest boy ,do you want this , cause i can't see a
future ahead of this no more , you can just go and walk
out the door , don't tell lies , please dont play games ,
the thought of whats goin on , drivin' me insane , and if
you must , go find another girl you love and lust, but
baby i still ...

don't wanna leave you ,
a just wanna keep you , forever till' the end but baby

baby please dont pretend,
that you truely still love me ,
i know that your above , if
we can make this work - i will,
but tell do you love me still ? tell me baby do you ?

am takin' by that look on your face ,am takin' that it's
over,
though i need you more than anything or anyone , i
suppose i'll let it all go ,but forever baby , my love for
you will always grow ,but one more time ,so i know for
sure ,
are you ready to walk away ?

leave me behind and forget
our time everyday ? do you still want me , i know you will
say no , but baby if you really don't love me, then just
go ,
but i still ...

don't wanna leave you ,
a just wanna keep you , forever till' the end but baby
baby please dont pretend,
that you truely still love me ,
i know that your above , if
we can make this work - i will,
but tell do you love me still ? tell me baby do you?
