All this time I was wasting,
Hoping you would come around
I've been givin' out chances every time
And all you do is let me down
And it's taken me this long baby
But I figured you out
And you think it would be fine again
But not this time around

You don't have to call anymore
I won't pick up the phone
This is the last straw
Don't wanna hurt anymore
And you can tell me that you're sorry
But I don't believe you baby,
Like I did before
You're not sorry.
Oh no, no, no.

Looking so innocent,
I might believe you if I didn't know
Could've loved you all my life
If you hadn't left me waitin' in the cold
And you got to share your secrets
And I'm tired of being last to know
And now you're asking me to listen
Cause it's worked each time before

But you don't have to call anymore
I won't pick up the phone
This is the last straw
Don't wanna hurt anymore
And you can tell me that you're sorry
But I don't believe you baby,
Like I did before
You're not sorry.
No, no, Oh.
You're not sorry.
No, no, Oh.

You had me crawling for you honey
And it never would have gone away, no

You used to shine so bright,
But I watched all of it fade

So you don't have to call anymore
I won't pick up the phone
This is the last straw
There's nothing left to beg for
And you can tell me that you're sorry
But I don't believe you baby,
Like I did before
You're not sorry.
No, no, Oh.
You're not sorry.
No, no. Oh.
