I guess you really did it this time  
Left yourself in your warpath  
Lost your balance on a tightrope  
Lost your mind tryin' to get it back

Wasn't it easier in your lunchbox days?  
Always a bigger bed to crawl into  
Wasn't it beautiful when you believed in everything?  
And everybody believed in you?

It's all right, just wait and see  
Your string of lights is still bright to me  
Oh, who you are is not what you've been  
You're still an innocent, you're still an innocent

There's some things you can't speak of  
But tonight you'll live it all again  
You wouldn't be shattered on the floor now  
If only you could see what you know now then

Wasn't it easier in your firefly-catchin' days?  
And everything out of reach  
Someone bigger brought down to you  
Wasn't it beautiful runnin' wild 'til you fell asleep?  
Before the monsters caught up to you?

It's all right, just wait and see  
Your string of lights is still bright to me  
Oh, who you are is not what you've been  
You're still an innocent

It's okay, life is a tough crowd  
32 and still growin' up now  
Who you are is not what you did  
You're still an innocent

Time turns flames to embers  
You'll have new Septembers  
Everyone of us has messed up too

Lives change like the weather  
I hope you remember

Today is never too late to  
Be brand new

It's all right, just wait and see  
Your string of lights are still bright to me  
Oh, who you are is not what you've been  
You're still an innocent

It's okay, life is a tough crowd  
32, and still growin' up now  
Who you are is not what you did  
You're still an innocent

Lost your balance on a tightrope  
It's never too late to get it back
