I've benn waitin',
Such a long time just tryin' to get through.

And It's takin',
All of my stength to keep me here,
Away from you.

It doesn't matter just how long it takes.
Nothing changes when we're apart.

It's just a little bit longer,
We've come this far....

(Chorus)
One step closer to heaven,
Baby,
Means one step closer to you.
There'll be no more living without you,
Baby.
I'm counting each minute till I'm back with you.
One step closer to heaven,
Baby.
Hold on,
Hold on,
Hold on to my lovin'.

I've been savin',
Every little bit of my love for you.

I've been dreamin',
Just to get by.

Its so excitin',
Fantasisin'.

It doesn't matter just how long it takes.
Just to know that wer'e back together.
And this time,
It's forever....

(Chorus)

It doesn't matter just how long it takes.
Nothing changes when we're apart.
It's just a little bit longer,
We've come this far....

(Chorus)
