#### Solo1

I have listened to you  
I have heard your request  
I've come to tell you that it's only a test  
Just hold on, through ur storm, be strong  
just Hold on, this test is your storm  
but it wont be long ,go through, hold on

#### Solo2

So ur daughter wont hear you  
Your son could care less  
Seems they've done all to hurt you but it's only a test  
Just hold on, through ur storm, be strong  
and Hold on, this test is your storm  
but it wont be long ,go through, hold on

#### Solo3

Dont u know the darkest time in ur life  
Is just waiting for the break of day  
God promised "all ur battles i will fight"  
If you just hold on, hold on  
Hold on, Hold on

#### Solo4

Your tears have been plenty  
In the still of the niggth  
You've prayed now you're empty  
Just too weak to fight  
just hold on, thru ur storm  
Be strong and hold on, this test is ur storm  
but it wont be long ,go through, hold on

You see you've been wounded you've given ur best  
U've been misunderstood but it's only a test  
just hold on, this test is ur storm  
but it wont be long ,go through, hold on

God said i'm able to deliver

Hold on hold on  
I'm able to deliver  
Hold on hold on

Hold hold on

Solo Ad lib

He said i'm able to deliver  
Hold on hold on  
I'm able to deliver  
Hold on hold on

He said i can help you with my outstretched arm,  
please hold on  
He said i can heal you  
hold on my child  
Don't you ever give up, dont you give in  
Dont give up my brother, please don't give in my sister  
I'll see you through each time  
God will see you through  
Please don't give up

Nevertheless it's only a test  
Hold on, hold on

I have listened to you  
I have heard your request  
I've come to tell you that it's only a test  
Just hold on, through ur storm, be strong  
and Hold on, this test is your storm  
but it wont be long ,go through, hold on
