(verse 1)

My life was empty and dark as the night.
A blind man seeking, couldn't find the light.
Stumbling around, feeling black and so blue
Cried out not knowing he'd answer with you
He gave me a package so tender inside...yeah
Wrapped in a ribbon laid down by my side
Like Adam and Eve, i'm waiting to cleave
To you...I want you

(chorus)

When God gave me you, he didn't leave
Leave any room, for me to receive
He gave me e-very-thing I need.
When God gave me you.

(verse 2)

Listen baby...
Laid down in darkness before I found you
I met a lot of ladies, but they wouldn't do...nooo
I needed a wife for the rest of my life
Well I go to bed and I wake up still holding you
Creeping is over, all my nights turn to day.
All my clouds are vanished, they all went away
Oh come over here girl I've got something to say
To you...no one else will do

(chorus)

When God gave me you, he didn't leave
Leave any room, for me to receive
He gave me e-very-thing I need
When God gave me you.

(bridge)

All the time that I shared together with you
Nothing else can compare...nooo
For the rest of my life...I'm in love, I'm in love

(chorus)

When God gave me you, he didn't leave
Leave any room, for me to receive
He gave me e-very-thing I need

He satisfied this pain in me
He gave me everything I need
When God gave me you
