(verse 1)

Is it obvious all the changes you taken me through
Cause i'm not the same girl that my mother, little
brother,granny once knew
I wish you can see the sketches on the walls of my
heart
Then you know i'm for real and this is how i feel
It's like i'm

(chorus)

It's like i'm 16 all over again
Crushing on you all over again
Got butterflies in my stomach i cant eat, cant sleep, its
happening over again
16 all over again
Crushing you hard all over again
Right now better circle yes, no , maybe so,
It's happening over again

(verse 2)

I never thought i'll fall so deep, so quick
what's going on
Cause when you're not around
i feel like i'm missing my right arm
I wish you can see the sketches on the walls of my
heart
Then you know i'm for real
and this is how i feel
It's like i'm

(chorus)

It's like i'm 16 all over again
Crushing on you all over again
Got butterflies in my stomach i cant eat, cant sleep, its
happening over again
16 all over again
Crushing you hard all over again
Right now better circle yes, no , maybe so,
It's happening over again

(bridge)

Baby, baby, baby i'm hoping that you're feeling just as

much in love as i am
Say baby, baby, baby i'm hoping that you're feeling just
as much in love as i am

(chorus)

It's like i'm 16 all over again
Crushing on you all over again
Got butterflies in my stomach i cant eat, cant sleep, its
happening over again
16 all over again
Crushing you hard all over again
Right now better circle yes, no , maybe so,
It's happening over again

yeah
oh x16
yeah
