### "Chemistry"

Visit "[Chemistry](#)" on MotoLyrics.com

tonights the night  
im feelin free yeah  
my bodies callin can  
you hear it no hesitating  
lets enjoy this (gonna make my way to you)  
i can tell your curiose by lookin in your eyes i wont  
mind (i wont mind no)if you come movin close come  
touch me dont be shy (dont be shy dont be shy)im what  
ya like  
ya know you can feel the sensual chemistry rising high  
said ya know miss energy  
feel the tension strait from my remedy got chemistry  
sensual chemistry  
(repeat)  
got chemistry  
(lets go lets go lets go x2)

i like it if you rub up on me  
garentee ill fufill you  
fantasy just one night that i need (let me take you  
home with me)i can tell your curious by look in your  
eyes i wont mind if you movin close come touch me  
dont be shy im what ya like  
ya know you can feel the sensual chemistry rising high  
said ya know miss energy  
feel the tension strait from my remedy got chemistry  
sensual chemistry  
(repeat all threw the end)  
sensual chemisty got me on it got me on it sensual  
chemistry got me on it ohoh oooooooh no miss  
energy sensual chemistry
