Yo Ari.... the mike on?

I got hundred dollar bills what the deal?(x2)

Be on my coins like a cops to it
Bills to it, president
I be on it like a green card

Told em when that ass and I came to crash the party,
won the lotty
But my ego won't allow me just about it
Anything less than the best
Yes I'm a boss That I must confess
I'm the type of chick that won't throw no shade
Hella from the D and I came to get paid
Ladies try to crucify me
(???) and I came to set the record straight

I got hundred dollar bills what the deal?
I got hundred dollar bills what the deal?
And I came to get my coins!
I got hundred dollar bills what the deal?
I Cannot collect my coins!
I got hundred dollar bills what the deal?
I got hundred dollar bills what the deal?
I got hundred dollar bills what the deal?
And I came to get my coins!
I got hundred dollar bills what the deal?
I Cannot collect my coins!
I got hundred dollar bills what the deal?

Be on my coins like a cops to it
Bills to it, president
I be on it like a green card
(x2)

She's a player I'm a player so we're both the same
Taking tips making chips in the order fame
