Cant Help My Self When It Comes To You,
No Matter What You Do,
Keep Me Comin Back To You.
Even Though I,
Wanna Leave You Alone.
But Im Gonna Have Some More
Cuz Give Me What I Want,
Or Maybe Just Enough,
To Make Me Stay Another Day.
& Pretend Its Okay.

Watcha Do To Me I Cant Explain It,
I Cant Understand,
What Keeps Me Comin Back
Comin Back,
Comin Back To You.
Oh Watcha Do To Me I Cant Explain It,
I Cant Understand What Keeps Me Comin Back.
Comin Back,
Comin Back to You.

Tell You Good Bye,
I Try But You Find
Words To Say to Make Me Stay,
Just Cant Get Away I Face.
This What I Thought It Was,
But Know This When I Fell In Love Whitchu,
Something Bout Yu,

Cant Help My Self When It Comes To You,
No Matter What You Do,
Keep Me Comin Back To You.
Even Though I,
Wanna Leave You Alone.
But Im Gonna Have Some More
Cuz Give Me What I Want,
Or Maybe Just Enough,
To Make Me Stay Another Day.
& Pretend Its Okay.

Watcha Do To Me I Cant Explain It,

I Cant Understand,
What Keeps Me Comin Back
Comin Back,
Comin Back To You.
Oh Watcha Do To Me I Cant Explain It,
I Cant Understand What Keeps Me Comin Back.
Comin Back,
Comin Back to You.

Oh Even Tho You Don't Realize,
What You've Done To Me.
I Still Believe In You.

Oh You.
Whatcha Do To Me,
I Cant Explain It.
I Cant Understand What
Keeps Me Comin Back
Comin Back,Comin Back To You.

Whatcha Do To Me,
I Cant Explain It.
I Cant Understand What
Keeps Me Comin Back
Comin Back,Comin Back To You.
