What would you do if you were asked to give up you're
dreams for freedom?

What would you do if asked to make the ultimate
sacrifice?

Would you think about all them people who gave up
everything they had?

Would you think about all them war vets and would you
start to feel bad?

Freedom isn't free! It cost folks like you and me.
And if we don't all chip in, we'll never pay that bill.
Freedom isn't free! No there's a hefty fucking fee.
And if you don't throw in your buck o'five who will?

What would you do if someone told you to fight for
freedom?

Would you answer the call, or run away like a little
pussy?

'Cause the only reason that you're here is
'Cause folks died for you in the past
So maybe now it's your turn to die kickin' some ass!

Freedom isn't free! It cost folks like you and me.
And if we don't all chip in, we'll never pay that bill.
Freedom isn't free! No there's a hefty fucking fee.
And if you don't throw in your buck o'five who will?

If you don't throw in your buck o'five who will?
Ooh... buck o'five

Freedom cost a buck o'five
