[\*Verse 1\*]

Im lookin for u  
the sweet incredible u  
that unforgettable u  
the u that only i can know  
Tell me what i gotta do  
what walls i gotta break through  
that'll lead me right back to u [ooohh]  
Cuz im searching boy  
But i dont have a clue

[\*bridge\*]

Im not gone stop fightin  
Ima keep searchin  
Ill go to the end of the world  
If i have to  
Ima keep tryin  
As long as im hurtin  
Tell me what i gotta do  
cuz boy im on the hunt for u

[\*Chorus\*]

[\*Verse 2\*]

Im lookin for u  
that irreplaceable u  
that warm embraceable u  
That walked right out that door  
What argument can i lose?  
What day can i play the fool?  
Tell me boy what i gotta do [Aww baby]  
To figure out why u dont love me no more
