Christian Loub's, that's that shit I do like
Drop top on my Phantom coupe,
That's that shit I do like
Ladies on That Boss Shit.
that's that shit that I like
Don't care how much it cost bitch
Bring me everything that I like

Riding round in something you ain't never seen
From the time the sun come up I'm getting green
I pay cash for my Loubies when I brought them hoe
I know you say you got the same ones but you Rocked
them wrong
These niggas tryna wife me, wife me, wife me, wife me
That's why these hoes in there don't like me,
like me, like me, like me
My swag is brand new, your shit renovated
Bitch I'm self made, you're just affiliated

A boss nigga that's that shit I do like
Fly Ass Fuck, Tatted Up
That's that shit I do like
He know how to get that green
And that's that shit that I like
Don't care how much it cost bitch
Bring me everything that I like

He Bep out here riding round and getting it
You suckers niggas talking while he living it
Once They doing all the shit that you all wanna do
Getting Fresh Everyday like it's a photo shoot
Now all these women on him, on him, on him, on him
I ain't tripping cause I got him got him, while you
watching

A boss nigga that's that shit I do like
Fly Ass Fuck, Tatted Up
That's that shit I do like
He know how to get that green
And that's that shit that I like
Don't care how much it cost bitch
Bring me everything that I like
