Was it deja vu? (3xs)

Verse 1

Don't remember me, babe u don't wanna slow down?  
O u gon act like I'm crazy and I'm just chasin u around?  
Like I don't know u & I've never seen u before?  
Like u don't know me  
Oh I think it's cute how u ignore me

Hook

Now the boy's Judas  
Now he don't know me  
Like he never kissed these lips  
Like he never touched me  
Like he never put his hands up on my hips  
Like he don't know my inside,  
backwards and forward like a map-map-map-map  
Like we never got down in tha back of the Cadillac-lac-  
lac-lac-lac

Chorus

Was it deja vu?  
Got me feelin I was hurt by u  
Oh, baby tell me was it deja vu?  
Got me feelin like u hurt me before  
And I know  
I know its u, u know its me (3xs)  
I know its u, but was it deja vu?

Verse 2

So u tellin me it aint no tat inside of my thigh-thigh-  
thigh-thigh?  
U gon look me in my face and lie, la-la-la-lie, la-lie, la-  
la-lie, lie?  
Oh baby, u aint gotta front me now  
I'm tryna see if we could still get down

Hook

Chorus

Bridge

Distant memories (distant memories, baby)

It wasn't just a dream (No, it wasn't a dream)

The way he loved me, thugged (or f\*\*ked) me

Hugged me, loved me it was so real

That's why it feels just like déjà vu

chorus (2xs)
