Ayo Teairra What's up girl

Damn you looking incredible these days you know

Are you still with ol' dude?

I be seeing you out the ghetto

But you know he can't do what I can do for you

I can change your life you know

[Teairra:] Uh huh, Oh for real?

[Guy:] You need to be f\*cking with a nigga like me ma

[Verse 1:]

All ya'll wankstas be talking that La

Think I'm gonna leave my nigga, you smoking that La

He may not have millions but he give me enough

That feel good conversation and trust

Any time I need him he will out, want to bust

Damn well will lay a nigga out for the us

Yeah you might be gangster

But gangster ain't enough

'cause these dickies have his name written in the cut

[Hook:]

Ohh, he treats me so good

Ohh, you wishing you could

Axe him, nix him, make me forget him

But there ain't nothing out here that's like him

[Chorus:]

La La me, you think you gon' La La me

You pimp and you're saying that to La La me

I told you that in his arms is where I'd be

You need to quit puffing that La La (La La)

La La me, you think you gon' La La me

You pimp and you're saying that to La La me

I told you that in his arms is where I'd be  
You need to quit puffing that La La (La La)

[Verse 2:]

See that's the damn problem with the male species (Uh huh)  
Ya'll think ya'll can hit every ball in the league (Uh huh)  
But you'll keep poppin foul as you talk to me  
Wondering why girls dating girls got you intrigued  
But that's irrelevant when it comes to me  
My man got it locked when it comes to heap  
I can see that you won't ever succeed  
At pleasing a girl 101 so class is ending  
(Lets go, lets go)

[Hook:]

Ohh (Ohh), he treats me so good

Ohh (Ohh), you wish that you could  
Axe him, nix him, make me forget him  
But there ain't nothing out here quite like him

[Chorus:]

La La me, you think you gon' La La me (Oh)  
You pimp and you're saying that to La La me (You're so typical, yeah yeah)  
I told you that in his arms is where I'd be  
You need to quit puffing that La La (La La) (Let it go)  
La La me, you think you gon' La La me  
You pimp and you're saying that to La La me (You pimp and it ain't strong, no it ain't)

You need to quit puffing that La La (La La)

All my ladies  
My real down ladies  
Want these lame ass busters to stop  
Stop tryin to holler when I told you about 'em  
And the game that you're spittin ain't hot

You pimp and you're saying that to La La me
