I'm loving on u, u, ohhhhh

There's a room full a niggas, your the only I see boy
I just wanna be alone, you and me can keep it grown
Cause I only wanna be yours long as you standing by
my side I'll never leave yours
Oh, nothin' like me lover that's why you'll never leave,
you know never find another.
Oh let's get undercover nothin' feels better than when
we are touching each other
Music comes on and the lights go down
Wrap me in your arms and you feeling so strong,
Lay you on your back and I tell you how it goes
Know you had it long day, but this is gonna be a long
night

While I'm loving on you, loving on u, loving on u, loving
on u, loving on u,
Touching on u, touching on u, touching on u, ohhhh
Your the only I need boy, long as you standing by my
side I'll never leave yours
You hear them notes on a key board, They just make
you feen more
All that I do for you nigga, How could you ever need
more?
I just wanna be alone, You and me can keep it grown,
Only one I need boy , Long as you standing by my side
I'll never leave yours
Oh nothin' like me lover, That's why you'll never
leave,you know you'll never find another,
Oh let's get undercovers, Nothing feels better than
when we're touching each other
Music comes on and the lights go down, Wrap me in
your arms, and you feeling so strong,
Lay you on your back and I tell you how it goes, Know
you had a long day, But this gon' be a long night
While i'm lovin' on u , lovin' on u, lovin' on u, lovin' on u,
lovin' on u
Touchin' on u, touchin' on u, touching on u, ohhhh
Your the only one I need boy, Long as you standing by
