Missin you, is all that I can seem to do
I'm always thinkin of you

When I go to sleep, I can't help but dream
About times we used to share
Wasn't that long ago (long ago)
But dont you know cuz im missing you

[Chorus 2x:]

Missin you, is all that I can seem to do
I'm always thinkin of you, you

I know im only fifteen, and I got a lot to learn
But there's one thing that I'm sure of
Things are constantly racin' through my mind
I ask to know why as I cry
Am I missin you?

[Chorus]

You know very well
Who you are,
But the fact that your not here, just breaks my heart
I'd give anything to see you again
I cant take this

[Chorus]

Aaliyah, were missin you (ooh, were missin you)
Oh and those those flew with you
Oh tupac and big papa, too we all missin you
Oh we are missin you
Oh lisa lopez, we miss you (lisa, missin you)
And the big clouds of the world trade center too
And for everyone ,who has lost a few (missing you)
This goes out to you, this goes out to you
Yoou

Ooh, ooh, oooh
I miss you,
I miss you,

I miss you,
I miss you baby
