[Chorus:]

I ain't have no daddy around when I was growing up  
(huh)

That's why I'm wild and I don't give a Fuck

Ya'll think 'cause these jeans fit, I would give it up

Don't let my cute face fool ya

I aint have no daddy around when I was growing up  
(huh)

That's why I'm wild and I don't give a Fuck

Ya'll think 'cause these jeans fit, I would give it up

Don't let my cute face fool ya

[Verse 1:]

Been through so much in my life

Seen things in my life

That I never I thought I'd make it through

Had a few close calls in my life

That could have ended my life

But I'm here looking at you

Never thought that I'd be here

I'm the type that don't give a damn about rules

I was forced to survive on the streets

Make my own way to eat

Gotta do what I gotta do (Best believe)

[Hook:]

I know plenty of girls like me

That done been through hell just like me

Keep what your mama teach ya

Don't let cheat or the daseat defeat ya (Girlfriend)

And don't mind kickass girls like me

That ain't ever afraid to speak

Next time that they try to treat ya

Like you a freak just because you look good

Tell them

[Chorus:]

I ain't have no daddy around when I was growing up  
(huh)

That's why I'm wild and I don't give a Fuck

Ya'll think 'cause these jeans fit, I would give it up

Don't let my cute face fool ya

I ain't have no daddy around when I was growing up  
(huh)  
That's why I'm wild and I don't give a Fuck  
Ya'll think 'cause these jeans fit, I would give it up  
Don't let my cute face fool ya

[Verse 2:]

No I don't strip in the club  
Nor trick in the club  
But I got friends that do  
So my girls that's getting the dough  
The best way they know  
Don't hate girl I got you  
Even though it ain't me (I understand)  
That it's real in these streets (I understand)  
When it comes to that rent, that whip  
That check, ain't nobody gonna protect your neck like  
you

[Hook:]

I know plenty of girls like me  
That done been through hell just like me  
Keep what your mama teach ya  
Don't let cheat or the daseat defeat ya (Girlfriend)

All, all my girls from a broken home  
When you're feeling all alone  
And you feel you can't go on (call me)

When you're feeling all alone  
And you feel you can't go on (call me)
