You know..
I never understood
Why we go through the same things
Over and over
Baby, im tired
Im so damn tired..

You wake up in the morning breakfast on the table
(huh,huh and it done)
I go to (?) A bath and turn on the cable (huh, boy dont
act like you dont know it)
You can be straight up with me boy aint nobody listning
(huh tell me what are we doing)
Cuz i dont wanna waste my time and i dont wanna
waste your time (what the hell are we doing)

Ive given all ive got what do i have to show for it
Nothin, nothin, nothin, nothin,
I forgive you on the spot then i wait for you to change
but
Nothin, nothin, nothin,

Got me going round and round and round in circles
Cuz i loved you (i really) loved you
Going round and round and round in circles
Cuz i loved you (i really) loved you
Round and round and round we go
Round and round and round we go
Round and round we go
Round and round we go
Round and round we go
Round and round we go

Tell me who you gunna find to do it like me (huh, huh
aint nobody)
And i know you think im old well boy i might be (dont let
that good girl shit fool ya)
From the laundry to the dirty dishes broken promises
and wishes
Every day is something different aint no tellin who you
kissin

Ive given all ive got what do i have to show for it

Nothin, nothin, nothin, nothin,
I forgive you on the spot then i wait for you to change
but
Nothin, nothin, nothin,

Got me going round and round and round in circles
Cuz i loved you (i really) loved you
Going round and round and round in circles
Cuz i loved you (i really) loved you
Round and round and round we go (round and round
and round baby)
Round and round and round we go
Round and round we go
Round and round we go
Round and round we go
Round and round we go

Thought that we could make it through the storm (the
storm)
But now i see that i was so so, so wrong
Boy who would have ever thought that we just wouldnt
work
Boy it hurts oh baby that we just keep going round in
circles

Got me going round and round and round in circles
Cuz i loved you (i really) loved you
Going round and round and round in circles
Cuz i loved you,loved you
I really really
I really really
I really really
Loved, we go, we go
I cant even sleep
Sometimes i feel so empty
Oh baby so dizzy ohh
