[Intro]

Where you going baby? You know I want you to stay
right? Why you tryna leave?

[Verse 1]

I already told ya, You can come over . Lotta' bread I
don't care, long as you a soldier.
I don't even know ya but I want ya closer . Love the way
your Bentley match my Benz and my Rover. I'm only
gunna tell you one time, ... Put me on my backside
show me that you that ...

[Chorus]

Boy I must admit you got my mind .. .
Talkin' bout you gotta go I wish that you would stay .

Staaay,
Boy you know love, everytime we touch
We can get it poppin' poppin' poppin' poppin'

Staaay,
I can never get enough , Boy you like a drug.
We can get it poppin' poppin' poppin' poppin'

Oh Me Oh Me Oh Me Oh M-m-me
Me Oh Me Me Oh Me Oh M-m-me.

[Verse 2]

Say I got that good shit . Sometimes I'm on that hood
shit.
When it's going down I'm the only chick you should hit.

Make sweet love in the club, in the car windows up
I'ma put this model ... you gon' pin it up
I give you the buisness, meet me at my workplace.
Even on my worst day watch me come in first place.

[Chorus]

[Verse 3]

Boy everytime I get you right where I want you
It seems like its always something boy, Tell me why

does it have to be something boy?
And I know that we met up in this club last weekend and
we dont even know each other but im begging you to
stay.

Staaay (Oh Stay)
Boy you know love, everytime we touch (We Can)
We can get it poppin' (Hey) poppin' (Hey) poppin' (Hey)
poppin' (Hey)

Staaay,
I can never get enough , Boy you like a drug
We can get it poppin' poppin' poppin' poppin'

Oh, Me Oh Me Oh Me Oh M-m-me
Me Oh Me Me Oh Me Oh M-m-me
