(verse 1)

i remember in the beginning, you would stay out with  
your friends all night  
and, you come home to me with no questions  
that was before i knew about your third phone  
but you was smart to understand that i ain't no dumb  
ass woman  
and now you calling me that bullshit, but i don't wanna  
fuck with you  
no more, no more, there's no love here, oh boy, i'm  
gone out yo life  
and the only reason is, oh,

(chorus) x2

trusting you no more, i jus, i jus, i jus can't keep  
trusting you no more  
i can't believe not a word that you say

(verse 2 )

you told me you was working late one night, said you  
would be home soon  
had me sitting here wondering all night, did something  
happen to you?  
gotta call from my girls, they seen you at the club, they  
said you had 2 or 3 bad ones  
oh baby, that's wassup  
no more, no more, there's no love here, oh boy, i'm  
gon' out yo life  
and the only reason is, i

(chorus) x2

trusting you no more, i jus, i jus, i jus can't keep  
trusting you no more  
i can't believe not a word that you say

(bridge)

so don't tell me bout your stupid feelings, all the pain  
that you'd deaing with  
being away from my love  
still get messages from other girls, sayin' that you did  
the same to them  
there's no way i coud give you my trust

(chorus) x2  
trusting you no more, i jus, i jus, i jus can't keep  
trusting you no more  
i can't believe not a word that you say
