Fuck the computer You're not a teammate on my team So shut up And now dreams Look at the VCR TV In the room With white knifes Air a VCR T3 of my own So what now Is that you want to marry me

Who cares Now sit there Sit there and stare My God! Who cares lust sit there Sit there and stare Oh my God

Eighteen Yeah she's my teammate XI3 And she's good With white liars A lot of bit your whole like TV So shut up And I dream Look at the VCR T3 In my room I look up Laughing at you Burying me

Who cares Now just sit there Sit there and stare My God! Just sit there Sit there Sit there and stare My God
