_____ we don't wanna hear about it, hurts your ears to
see the sound, didn't want to make you fear, it's not
that you

Would understand cause all you know is what you
think, you have a grasp on something. When you're
holding on to me,

I am nothing again (?), I don't go where i am told, i
don't need _____ Space (?) forever, it's
just boring(?)

_____, it's just here for us to take. Figure for me
_____, don't assume I matter, it's not any differnt
than

What you see, for you stand inside her (?) you break
my neck you pull my thraot until you feel it snap. I did it
to him, i killed

It all (off?), looks at me like i'm the trap (?)
