the council less rated clean intent i'll trade you the first
one called the last one

picked you'll suave fast but you'll miss whose traction
trains slipping your

tractions aims slipping the first one called the last one
picked a hunger for

continuity am i next let's meet there between the core
and the mantel the last is it

fine? it's OK it's inaudible it gets through sometimes is
it fine it's OK am i butch or

femme can i register i hear all the things they say
about me I hear all the things i

wonder how they know all these things I don't know
about me if you know so

much would you mind sharing it please.
