watch girls

play (girls play) venus lacy tried to play, see (girls play)
??? i want you to you wanna watch 'em play you wanna
watch

some tall girl play but i wanna play i wanna watch girls
play i wanna watch girls play (girls play) venus lacy
tried to play,

see (girls play) ??? i want you to you are the one who let
me down (you're the one who let me down) you're the
one who

let me down (???) you are the one who let me down
(you're the one who let me down) you're the one who
let me down

(???) you are the one who let me down (you're the one
who let me down) you're the one who let me down (???)
you are

the one who let me down (you're the one who let me
down) you're the one who let me down (???) you are
the one who

let me down (you're the one who let me down) you're
the one who let me down (???) you are the one who let
me
