This shadow has fallen  
And with these lines  
We breathe  
And I've seen nothing  
But broken lines  
In this scene

You win take the queen  
I won't settle for less  
Than perfect on your part

And maybe tomorrow  
I will realize  
That I need you  
And maybe tomorrow  
I will realize

This shadow has fallen  
And with these lines  
We breathe  
And like me  
They say you win  
Take queen  
And I've seen nothing  
But broken lines  
In this scene

And maybe tomorrow  
I will realize  
That I need you  
And maybe tomorrow  
I will realize

This time we figured out  
That simple phrase  
I love you simple  
It's so easy  
Take this  
For what it's worth  
Take this for who I am  
I don't know  
What it's worth

Take this for who I am  
Take this  
For what it's worth  
These things  
Don't come cheap  
And neither do I
