

Tears And Rage "Never"

Visit "[Never](#)" on MotoLyrics.com

Your hands grab and destroy
All that shines
And you don't realize that everything around you
Is losing its colours
I won't remain silent
At the sight of your crimes

(chorus)

I'll never be your puppet
I'll never give in to your mad plays
Maybe life will bring me to my knees
But you won't, but you won't

Sorrow and earth that burns
In the lap of a dirty
Indifferent and heedless hand
Castles made of gold and avidity
Bent heads and mouths shut by your money

I'll never be your puppet
I'll never give in to your mad plays
Maybe life will bring me to my knees
But you won't, but you won't

(chorus)
