Everyday I feel, so lonely  
I'm bird in the cage  
Captive behind my bars  
I've lost my lust to fly

Everyday I feel so sad  
Depressing thoughts in my mind  
I want to sleep away  
But I'm afraid to die

[Chorus:]  
In the silence  
There's no peace  
In the emptiness  
There's no life

Everyday I feel unhappy  
In my meaningless life  
I'm sinking into despair  
In the sea of distress

Everyday I feel so bad  
Depressing thoughts in my mind  
I want to try once more  
But I'm afraid to live

In the silence  
There's no peace  
In the emptiness  
There's no life

War inside my head  
I'm not sure, am I alive or dead?

In my dreams, there's no pain  
In my dreams, I am free  
In my dreams, like an eagle  
In my dream, I am flying so high

In the silence  
There's no peace  
In the emptiness

There's no life

War inside my head

I'm not sure, am I alive or dead?
