She came to me
In the middle of the night
Again into my dreams
Like an innocent child

I'm your beast of the night
If you call my name
I'm your wildest dream
Be my wicked game

[Chorus:]
Let me bite your neck
Your innocent soul will be mine
Let me taste your mortal blood
'Cos your blood is my wine

Her icy sweet and bloody kiss
I felt on my lips
Her bare body, pale as death
I touched her virgin skin

I give my love to you
If you join me
Together we will ride
Behind black cold sea

Let me bite your neck
Your innocent soul will be mine
Let me taste your mortal blood
'Cos your blood is my wine

Have you ever dream of
A place you've never seen
Take my hand
And come with me

I let her lure me -
Our last journey
Into the paradise
Has just begun...

Let me bite your neck

Your innocent soul will be mine
Let me taste your mortal blood
'Cos your blood is my wine
