Misanthropy - the hatred of humans  
Self-loathing to a greater degree  
Despise the scum of the earth  
Many lower breeds, some my own

Time for genocidal decisions  
Extermination of the scum and thieves  
Let their deaths be free  
Purify humanity through misanthropy

Harsh, cruel-natured  
Victim of living  
Trustless, shielded  
Eyes burn in fire  
Stone cold  
Path crossed  
Disrespect will be pounded  
Pounded to dust  
Those unworthy of life  
Pollute the air I breathe

[Chorus:]  
Genocide and Misanthropy  
The answers for those who are wise  
Genocide and Misanthropy  
Human nature is corruptable lies

Life is worthless  
Harsh, cruel-natured  
Protected, relentless  
Fire burns in my eyes  
Cold steel  
Path crossed  
Why do leeches still walk free?  
Feed them to ovens overtly

[Chorus]

Those weak pawns, sheep in herds  
Brainless weasels  
Thieves and addicts  
This is the human race

This is the human race

Let hatred flow free... [x4]

Let hatred flow free...

(Become lost and bang your fucking head)
