

Tearstained **"Mesta Mansion"**

Visit "[Mesta Mansion](#)" on MotoLyrics.com

This big old and creepy mansion at the end of the road
It is old and deteriorated
Inside is a labyrinth, can not find my way around
Lost and wandering, doors and stairways everywhere

I am in my own dream

[Solo]

I can't seem to find my way out
Wandering the halls in the dark

One room leads to another room and another room
I seem to be going in circles
So many winding stairs and balconies
The furniture is nineteenth century

[Solo]

The rooms all change in different dreams
Always a labyrinth or a maze
Elaborate and extremely real
This old house is seductively surreal
