The tears flow endless
The pain is relentless
It feels like an eternity
So distant from serenity
Such a bleak future
An eternal gray sky
Drowning in sorrow
Waving goodbye

My landscape flows with rivers of bitter melancholy [x2]

A destitute fury
My emotions I bury
A pale cold heartlessness
Drowning in emptiness

I see no future
A split open sky
Bitterness enables me
To no longer cry

I am drowning in the shallow pool of life [x4]

[Solo]

My landscape flows with rivers of bitter melancholy [x2]
I am drowning in the shallow pool of life [x2]
