

Tearstained "Time Bomb"

Visit "[Time Bomb](#)" on MotoLyrics.com

Rage burns within
Time Bomb ticks
Waiting for ignition
Ready to explode
Hatred burning thunder
Vehemence implored
Violent attack
Your life is abhorred
[Repeat]

Time Bomb [x4]

Craving to see blood
Slice open your skin
Flashes of the blade
Sinking deep within
Eyes are filled with horror
A burning rage within
Ready to explode
A fury deep within
[Repeat]

A fury, burning, yearning deep within

[Solo]

There's so much boiling inside me
When does the steam burst?
Who presses the button that makes pain
Impossible to resist inflicting?

When does the mind finally just crack?

I feel like a Time Bomb
Just waiting to explode
(Repeat)
